New Key Club President Inducted

Jarrold, who returned home this week, happily handed over the gavel to our new president, Gavin. We thank Jarrold for all of his wonderful help serving the community and wish him well. President Gavin will assume his new duties immediately as her chairs the April business meeting. He will guide us through Easter projects, the Spring Talent Show, and will motivate our Relay for Life Team in June!

March for Life Was a BIG Success!

We thank our sponsors for supporting us in our fundraiser for Edinboro University's Parenting Resource Center and for Michael Hoover Blood for Life. This year's March for Life raised \$662.00 for these two great causes. As a result of our team's efforts and the kindness of our sponsors, we hope to make

lives better and to bring happiness to the young parents on the Edinboro campus.

Party with a Purpose

On June 7th, our Relay for Life Team will again be raising funds for the American Cancer Society at the General McLane Field. The county's theme is "Party with a Purpose." Our team's party theme is "Hawaiian Luau." Our Luau campsite will include tiki lights, palm trees, and flashy colored lights. Sounds like a party!

Our team members will take turns will be walking/running on the GMHS track from 11:00a.m. until the Luminaria Ceremony. To raise funds for the A.C.S. we will be selling leis and fruit drinks. We will also sponsor a Limbo Contest.

Prior to the relay event, we will have our annual Talent Show where we'll sell candy to fundraise, too.

Come and join the summer fun!
